

YWHO VIRTUAL COMMUNITY CONSULTATION

YWHO is seeking your feedback!

Do you have experience accessing mental health & community services online or in-person?

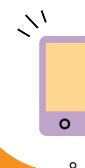

YWHO is seeking feedback for **YWHO Virtual** - a new, integrated, responsive digital platform for young people aged 12 to 25 years who require support with mental health, substance use, primary care, and other community and social services.

Reflect on your user experiences navigating mental health and health support online, share ideas, and help improve virtual mental health equity and access for youth across Ontario!

For Youth and Caregivers:

- Attend one of two virtual sessions
- \$60 gift card honorariums for attendees
- Space is limited!

Attend 1 Virtual Session*:

- **January 26, 2023** at 5:00 - 6:30 p.m.
OR
- **January 27, 2023** at 12:00 - 1:30 p.m.

Scan code or visit
bit.ly/ywhovirtual
to register:

**Sessions in English only.*

We are looking to hear from youth with lived & living experience of mental health and/or substance use challenges, including Black youth, Indigenous youth, youth of colour, 2SLGBTQ+ youth, youth with disabilities, and refugee and newcomer youth - along with those who support them - to understand the needs of these communities.

Questions? Reach out to lee.cameron@camh.ca.
